Dear Mr. Quigley and Mr. Bianco,

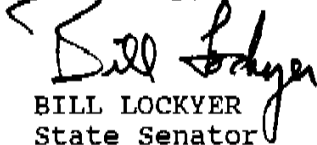

Thank you for your recent letter regarding California's helmet law and your organization.

I appreciate your taking the time to share your thoughts on this matter with me; however, I was a little surprised to receive a letter that seems to have been mailed to all members of the Judicial Council.

If you check my voting record, you will see that I voted against the helmet law. Because of a scheduling conflict, I was unable to attend the Judicial Council meeting you refer to, thus, I did not participate in the decision making process. However, had I been there, I would have agreed with your views.

Again, thank you for writing and for your efforts to keep me apprised of this situation.

Sincerely,

  
BILL LOCKYER  
State Senator
